## Many Students Obtain Awards for Activities At Annual Convocation

### More Than Five Hundred Jam Main Hall Thursday to Pay Tribute to Scholastic, Literary and Athletic Winners of Past School Year

Main hall auditorium resounded with one of its greatest ovations as more than five hundred students attending the second annual Prizes and Awards convocation rose to cheer when Naseby Rhinehart, Milwaukee, Wisconsin, received the Grizzly trophy awarded to the student possessing the highest all-around excellence in athletics and scholarship.

#### New Custom

Graduating seniors instituted a new custom at the convocation by attending in a group in their caps and gowns. The new custom is to be known as "Senior Swingout" and will mark the beginning of commencement week.

In conferring the prizes and awards Dean R. H. Jesse announced that there were approximately forty-five "State University Scholarships" to be awarded in June for the next academic year. These scholarships are one year appointments and carry exemption from registration and incidental fees.

Announcement was made of the medals given by the Hell Gate Post No. 27 of the American Legion to students of good scholarship and conduct who excel in Military Science and Tactics. One of these awards are given each quarter. Winners this year were: Charles Whittinghill, Helena, autumn quarter; Robert Rickert, Butte, winter quarter, and Franklin Longan, Lincoln, Illinois, spring quarter.

#### A. S. U. M. Awards

The following members of the university band received the A. S. U. M. awards for 1935: Joseph Gillen, Lewistown; Clifford Haugland, Bozeman; Grant Hazelbaker, Dillon; Allen High, Missoula; Harvey Johnston, Roundup; Grant Raitt, Helena, and Robert Ruehrwein, Billings.

Each member of the band who has served for nine quarters is entitled to a gold pendant, determined by Central board and approved by the band. This is an official and permanent award. To become eligible for this award each candidate must be approved as a musician by a committee to be composed of band members.

Those receiving forensic awards are: Women's debate—Margaret Holmes, Helena, and Mildred McDonald, Baker, Men's debate—Bill Brown, Belt; Clyde McCall, Whitehall; William Shallenberger, Missoula, and Carroll Speck, Whitehall.

#### Oratory Prizes

William Shallenberger, Missoula, received \$25 for first place in the Aber Memorial Oratory contest; William Giltner, Billings, \$15 for second place, and Neil Helle, Columbus, \$10 for third.

The Montana Intercollegiate Oratorical association contest was won by William Shallenberger, Missoula. His winning of this contest places the silver loving cup in the hands of the state university for the first time in the 14 years of the contest's existence.

Elma Cerise, Klein, was awarded the Lehn and Pink Pharmacy medal which is given to a member of the graduating class in the school of pharmacy making the highest general average in that course.

The first two places in the Frontier and Midland Poetry contest went to William Netherbon, Butte. He was given a copy of Mr. H. G. Merriam's "Northwest Verse" and a year's subscription to the "Frontier and Midland." Vivian Bower of Tarkio received a year's subscription to the "Frontier and Midland" for third place.

#### Annie Lewis Joyce Award

Ten dollars was awarded to Mrs. Rose K. Miller, Missoula for first place in the Annie Lewis Joyce Memorial contest in English. Armon Glenn, Missoula, received a copy of John R. Barrows' "Ubet" for second place, and Robert Fetterly, Eureka, won a year's subscription to "Frontier and Midland" for third place.

The \$20 for the Bennett Essay prize awarded by the department of history for the best essay on some topic pertaining to good government was won by Bill Browning of Belt.

Books for the winners of the President C. A. Dunaway prizes for scholarship were awarded to Virginia Graybeal, Great Falls, in the department of biology; Royal Turley, Broadus, in the

## Barbs Will Picnic Sunday Afternoon

### Final Social Event to Take Place in Rattlesnake Canyon

Barbs will hold their final social event for the current year Sunday afternoon in the Rattlesnake valley at their annual spring picnic.

The spring picnic is given in place of the usual dance. Buns and hot dogs, coffee and ice cream will be served to all who attend but in order to determine the amounts to purchase, it will be necessary for all who intend to go, to signify their intentions by signing the petitions placed in campus buildings.

Barbs will be admitted on their activity tickets each of which is also good for one guest. Those not having activity tickets may come at a cost of 25 cents. Ample transportation will be furnished, and cars will leave the Little Theatre at 4 o'clock Sunday afternoon.

## Noted Writer Addresses 80 Matrix Guests

### Women Journalists Pledged By Theta Sigma Phi At Banquet

"Women of today still have a cause to fight for," Mrs. Beryl Dill Kneen, author and vice-president of the Inland Empire Writers' conference, told more than eighty women present at the annual Theta Sigma Phi Matrix honor banquet Wednesday evening.

"It is the fashion to think we are entering a new world," she said in opening her talk as guest speaker. "Sometimes, however, I think as far as the women are concerned we are backing up to an old world—older than the one I entered when I was graduating from college."

Among the things which today's women are seeking, Mrs. Kneen listed equal pay for equal work, the removal of legal obstructions, equal opportunity, more intensive education for all and "a few little things like abolishing war."

Mrs. Kneen told of the condition of women in European countries and reviewed women's activities in this country.

"Project your attention toward your life work," she told those present. "Don't be dabblers."

Six women students in the journalism school were pledged to Theta Sigma Phi, women's national honorary journalism fraternity, at the banquet. Those receiving this honor were Dorothy Griffin, Billings; Betty Parker, Bozeman; Lucile Thurston, Stanford; Virginia Shanley, Glasgow; Virginia Hamblet, Missoula, and Marjorie Nelson, Conrad.

The program included vocal solos by Ruth Harris, piano solos by Barbara Keith and a trumpet solo by Thelma Buck, followed by Mrs. Kneen's address. Donna Hoover, Wallace, Idaho, president of Theta Sigma Phi, was toastmistress.

## Fraternity, Sorority Councils Elect New Officers for Year

### Nate Provinse Is Greek President

#### Abe Thompson and David Thomas Fill Remaining Posts

Interfraternity council held its last meeting Wednesday night at which time election of officers for the ensuing year took place. Nate Provinse, Red Lodge, Phi Delta Theta, was elected president; Abe Thompson, Miles City, Phi Sigma Kappa, vice-president, and David Thomas, Butte, Sigma Alpha Epsilon, secretary-treasurer.

Plans were formulated for a co-operative buying organization and it was decided to hold a meeting of all house managers Sunday to discuss the new buying proposal. It has been estimated that from four to 25 per cent can be saved over previous expense in a co-operative association.

Lack of co-operation from Will Steege, division manager of the Fox West Coast theaters, has been given as the reason for the present prices remaining unchanged. Future action is still undetermined.

## Central Board Okehs Budget For A. S. U. M.

### Next Year's Governing Body Members Are Installed By President Duff

Central board approved the budget for 1935 and 1936 at its annual dinner held Tuesday evening at Hamilton. The estimated figures received a cut of \$1,190 as the A. S. U. M. officers prepared to enter into the new school year. Members of the board to serve next year were installed into office by outgoing President Kenneth Duff.

Managers and advisers had turned in estimates asking for an increase over last year's appropriation of an amount totaling \$1,190.10. A conservative estimate of the figures shown gave a probable increase of \$400 over last year instead of the requested figure.

All figures for the ensuing year are based on the income from student activity fees which are collected by the business office. This amounts to \$5 per student per quarter or \$15 for the year.

Appropriations of Two Types Appropriations recommended for next year are of two types, an allotment of a per cent of the total actual income will be made and specific amounts will be awarded regardless of the total income secured.

In the first type the percentages will remain the same as last year with 50 per cent to the athletic fund and stipulations made that \$200 of this be given to minor sports and \$500 be applied on indebtedness. Other groups receiving a definite per cent are the Kaimin, 81-3 per cent; Sentinel, 16-2-3 per cent, and 5 per cent to the reserve fund.

Specific amounts to be given include the band with \$375, an increase of \$75 over last year. This increase was made to allow for new equipment. Debate and oratory will also receive \$375 which is \$75 increase over the 1935 budget. Additional funds were budgeted here to assist this group in bringing a touring debate team to Missoula.

Minor Sports Receive More Minor sports received an additional \$100 this year raising their total to \$400. With increased finances they will expand the program so that there may be more participation in the Pacific Coast Conference proposed schedules. Plans are also made to

## Library Receives Four Student-Written Theses

Dr. E. Douglas Branch of the English department faculty has presented to the university library four bound copies of theses written by students in the course, "Studies in Major Writers," which he conducted last quarter.

The titles of the bound copies and their authors are "Poe and Lowell," Angelo Geary, Ovando; "Poe and Bierce," Theodore Shoemaker, Missoula; "Poe and Faulkner," Margaret Carpenter, Billings, and "Poe's Influence on the Detective Story," Don K. Horsley.

## Fraternity, Sorority Councils Elect New Officers for Year

### Maryalys Marrs Is New President

#### Esther Swanson and Joyce Roberts Fill Other Offices

Maryalys Marrs, Missoula, took over her duties as president of Pan-Hellenic council at a banquet given by that organization Tuesday evening.

Other new officers of the council who came in Tuesday evening are Esther Swanson, Billings, vice-president, and Joyce Roberts, Deer Lodge, secretary. The treasurer is yet to be chosen.

Miss Marrs, a member of Delta Gamma sorority, succeeds Willie Clary, Great Falls, Kappa Alpha Theta, as president. Other officers who served during the past year were Harriet Gillespie, Grass Range, Alpha Phi, secretary, and Gladys Swanson, Glendive, Alpha Chi Omega, treasurer. Miss Marrs was vice-president last year. The other new officers, Miss Swanson and Miss Roberts, are members of Alpha Phi and Alpha Chi Omega respectively.

## University Students In Horace Contest

### Six Papers Are Entered in Anniversary Translation Competition

In observance of the two-thousandth anniversary of the birth of the Roman lyric poet, Horace, students in the United States are entering a contest in translation of one of his odes or lyric poems. Six state university students have entered the state contest.

Jean Fritz, Missoula; Phyllis Kiggins, Billings; Beryl Haight, Lewistown; Mary Zehntner, Missoula; Willie Jones, Bozeman, and James W. Gladden, Missoula, are entrants from the university. Students from other branches of the greater university are competing in the state contest.

The deadline for state competition closes June 1, and following that will be the national contest. The anniversary is being observed over the entire world but emphasized mainly in England and the United States.

Dr. W. P. Clark, state delegate of the translation branch of the observance, sent the papers to the state commission of judges Wednesday. The judges are Dr. J. M. Gilmore, Helena; Andrew Corry, Missoula, and Mrs. Eva T. McKenzie of Billings Polytechnic Institute.

## Robert Bates Elected Head Of Masquers

### Group Initiates Twenty-two; System of Membership To Be Changed

Robert Bates, Great Falls, was elected new president of Montana Masquers at a meeting held Wednesday night in the Little Theatre. Initiation ceremonies were held for 22 university students who had gained the requisite number of points to be taken in as active Masquers. Included in the group were eight freshmen who have been awarded enough points in just one year to entitle them to initiation.

Other officers elected at the meeting were Orville Skones, Missoula, vice-president; Helen Meloy, Townsend, secretary; Lela Woodgerd, Missoula, treasurer, and Stanley Koch, Missoula, historian.

Twenty-two Initiated Initiation ceremonies were in charge of Jocko Shenk, Erie, Pennsylvania. In the group of freshmen initiated were Owen Grinde, Whitefish; Lillie Johnson, Anaconda; Eleanor Miller, Great Falls; Lois King, Dick Pope, Ernest Reed, Nan Shoemaker, Eleanor Snow and Lela Woodgerd, all of Missoula.

The remaining new members are Mary Asbury, Bozeman; Pamela Ferguson, Armelia; Ada Forsythe, Cleveland, Ohio; Luella Heide, Casper, Wyoming; Margaret Henrikson, Missoula; Stanley Koch, Missoula; Helen Meloy, Townsend; Betty Lee Miller, Idaho Falls, Idaho; George Scott, Great Falls; Eleanor Speaker, Livingston; Fern Spicer, Hingham; Frank Stanton, Hamilton, and Mildred Tharp, Missoula. Four eligible pledges who were not initiated were Roger Clapp, Butte; Annie Evans, Roundup; Collins Johnson, Billings, and Joan Morrison, Missoula.

Beginning next fall quarter a new system of awarding points will begin, and a student must gain 15 points in order to be pledged to Masquers; then he must gain an additional 15, making a total of 30 points, before he is eligible for initiation.

After initiation a short business meeting was held to discuss plans for a picnic on Memorial day. Mary Brickson, outgoing secretary, presided in the absence of Dave Duncan, outgoing president. The other two officers of the past year were Ruth Perham, vice-president, and Mary Kohn, treasurer.

At some date before the close of school this quarter, Masquer Royal Initiation will be held for Robert Bates and John Clark. At present the six members of that honorary organization are Dave Duncan, Billings; Peter Meloy, Townsend; Melvin Hedine, Dick Shaw, Harold Shaw and Ossie Taylor, all of Missoula. It is necessary to have 65 Masquer points for eligibility to the Masquer Royal group. Miss Taylor was initiated the latter part of winter quarter.

## Administration Support Unanimously Accorded Faculty-Student Council

### Resolution Will Be Sent to Student Body for Acceptance Next Fall; Representatives to Be Selected From Greeks, Barbs, Professors

Faculty members at a meeting yesterday afternoon unanimously approved a resolution suggesting the formation of a joint student-faculty committee for the purpose of providing a body which would have the right to discuss college and student problems. The resolution was submitted by a committee appointed by the American Association of University Professors some time ago.

The faculty committee has been meeting with a group of 36 student to consider the proposal. Groups of eight students met with the faculty regularly with the entire 36 being brought in for larger meetings at regular intervals. The A. A. U. P. committee was composed of Dr. J. W. Severy, Dr. R. L. Housman, Dr. Harold Tascher, Dean C. W. Leaphart, Dr. Lucia B. Mirreles and Dr. Edmund L. Freeman.

The plan will be submitted to the student body for approval. The resolution states:

"WHEREAS, as the result of student and faculty interest and discussion concerning student and faculty relations it has seemed wise to bring into being a joint organization for the purpose of promoting their mutual interests. BE IT RESOLVED that the faculty of the state university proposes to the students the formation of a joint student-faculty committee for the purpose of providing a body where college policies and problems may have free discussion for advancing the general welfare of the university. The student members of the said committee to be composed of one representative from each of the social fraternities and sororities and of an equal number of non-fraternity and sorority representatives to be chosen as follows: one by each school; one by the division of biological sciences; two each by the division of the humanities, of the social sciences, and of the physical sciences; one by each residence hall and by the Independent organization. The five faculty members of said committee to be chosen by the faculty from its non-central administrative members.

"That this proposal be submitted to the student body at the beginning of the autumn quarter for the purpose of its action upon said proposal."

#### Excellent Selections

In addition to the marked ability of sixteen to answer in unison every movement of Director Crowder's baton, the evening's entertainment was distinguished by an extremely wise and judicious choice of musical selections. Too often during previous presentations of the Concert association the layman music lover has been forced to undergo certain types of compositions which are either wholly uncomprehensible to the amateur or without appeal from the standpoint of enjoyment. However, last night's program included a large group of selections which were either familiar or were not so technically involved that the concert goer was enmeshed in an intricacy of discords. Mr. Crowder is to be complimented upon his choice of program which conclusively proved that music was made to be enjoyed and listened to, not to be yawned through.

#### Evening's Highlight

To the reviewer the highlight of the evening was Saint Saens' Danse Macabre, in which the ensemble's nimble fingers fairly peopled the auditorium with phantoms in the guise of ghostly notes. Schubert, master of melody, was represented upon the program by his "Symphony in B Minor" (Unfinished) and "The Marche Militaire." The stirring chords produced by the ensemble alternated from one side of the stage to the other so smoothly as to give the illusion that one pair of hands was producing the tramp of marching feet and the blare of martial strains. The melodies of Bach's "Allegro Moderato" from the Brandenburg Concerto No. 3 rose from tinkling pianissimos to thundering choruses to enthrall an audience which appeared to be the most appreciative to have yet attended a local concert.

Adding immeasurably to the effectiveness of the final feature of a highly successful concert season were Mr. Crowder's genial, enlightening explanations of the salient facts concerning each composition, the flower bedecked stage of pianos and last but not least the charming musicians themselves. The Butte ensemble and Professor Crowder provided a musical experience that will not soon be forgotten by anyone fortunate enough to have attended.

#### DEAN SEDMAN RETURNS

Dean Harriet Rankin Sedman returned Tuesday from New York, where she was called by the severe illness of a daughter. Upon her arrival here she said that the condition of her daughter had improved so much that she felt she was able to resume her work for the remainder of the quarter.

## French Students To Present Show

### Puppet Affair Is Held for Benefit Of Faculty Children

Members of Cercle du Chevalier de la Verderye, local chapter of the National Alliance Francaise, an organization for majors in French, will sponsor a Punch and Judy show tomorrow morning at 10 o'clock. The presentation is being especially held for the benefit of the children of faculty members but anyone else desiring to attend is cordially invited. The show will be held on the lawn between the forestry school and Main hall, but in case of inclement weather will be given in the basement of the law school.

The Punch and Judy show was in former years a regular campus feature, the dolls having been purchased in France by Mrs. Louise Arnoldson, associate professor of foreign languages. During the past several years, however, it has lapsed but is again being introduced. Georges LeRoux is the puppeteer manipulating the movement of the dolls.

## Urey Announces Title Of Commencement Talk

"Science and the Humanities" will be the subject discussed by Dr. Harold C. Urey, 1934 Nobel prize winner and state university graduate, at Commencement June 3. Dr. Urey telegraphed the president's office yesterday that he had definitely selected a subject.

Dr. Edward O. Sisson, former state university president, has not informed the president's office of his choice of subject for the baccalaureate address he will deliver June 2.

## Interfraternity Muffs Another

The last meeting of Interfraternity council for the current year was held Wednesday night. The organization closed the year with at least one promise unfulfilled—one project, which it had undertaken to direct—undone.

Last fall negotiations were started through the council for lower show prices. At that time there was considerable feeling about the matter and some serious talking about boycotting the Fox theaters in Missoula. University students felt that they should receive lower prices and the matter was taken up, with Interfraternity council playing a leading role. A conference was arranged between Will Steege, division manager of the Fox-West Coast theaters, and representatives of the student body. Mr. Steege pointed out that nothing could be done at that time as a governmental code provision bound the theaters with a clause denying the right to differentiate between classes of people. The fact that Fort Missoula soldiers receive lower prices may be brought about by an agreement suitable to the theaters and may also be beside the point in this editorial, but the fact did strengthen the feeling of resentment among the students when the movement was being launched last fall.

Mr. Steege, in a reassuring manner, told the student representatives that the difficulties could not be straightened out at the time (last fall) but invited them to meet with him again in May, expressing the belief that a satisfactory arrangement could ultimately be reached. The master agreements for the theaters are not drawn up until September, but at the time of the meeting with Mr. Steege it was generally believed that they would be revised following the May conference.

Interfraternity council promptly relayed the news to the students, who readily believed that the desired adjustment was only a matter of waiting. Last month the Kaimin called the attention of the Greek council to the matter through its editorial column. Within the past few days Howard Gullickson, past-president of the council, reported that a letter concerning the conference which, it is understood, Mr. Steege himself had suggested, had been sent to the theater manager some two weeks ago. No answer was received from that gentleman, who apparently had no expectation of keeping his promise and meeting the students. It appears to even the casual observer that Mr. Steege evidently felt safe after staving off the tide of student dissatisfaction last fall with his invitation for a May meeting, seemingly believing that the matter would be forgotten by the students.

On these grounds the Kaimin heartily condemns Mr. Steege for breaking his faith with the students and brands him as unfair in his dealings, but the Kaimin also condemns Interfraternity council for not following out the proposal with more vigor and tenacity. It is a mark of inability to cope with any problem of major importance or to carry out any task beyond a very narrow scope.

## Tribute to Morris McCollum

The splendid 2 to 1 triumph of Morris McCollum's student store baseball nine over one of the finest traveling teams to have visited this section in many seasons merely adds fuel to the rapidly growing fire of enthusiasm of local fans clamoring for Montana's re-entry into the northern division collegiate race. It is no small achievement for a college squad to outthink, outplay and outwit a touring nine which broke even with Pacific Coast league teams. Other visitors, boasting undefeated records, have confessed themselves as astonished at the calibre of ball played by the Grizzlies and have added the bouquet "they could lick any college team we ever saw." Several local players have so developed in their years of competition under the capable tutelage of "Mac" that they now are receiving the notice of big league scouts. This season marks but the third year of city league play and the student store nine is now considered as far too powerful a club to warrant its participation in the local league and an effort is being made to enter them in the strong Butte, Anaconda, Helena race.

The decision of the Montana Athletic board in 1928 to abandon play in the coast conference came as a result of insufficient funds to carry on without a deficit and the lack of an adequate ball park. Manager McCollum has conclusively proven that baseball can be carried on for a far smaller amount than was expended in past years, since transportation by means of automobile can be secured much cheaper than by train, and uniforms and playing equipment can be purchased at a smaller cost and made to last longer.

During the years of membership in the collegiate race Montana was considered as one of the strongest contenders and upon several occasions finished the season as either champion or runnerup. Today the student store nine is immeasurably stronger than any varsity baseball team that ever wore the Montana colors. Should Manager McCollum be able to arrange for a game in mid-July with the Yale university baseball nine traveling to Japan, a Grizzly victory should insure active downtown and student support. A small subscription of approximately \$500, which would guarantee Grizzly play with collegiate rivals, would quickly be provided we feel sure if only an active campaign were launched next fall. Numerous student baseball fans have already expressed themselves as willing to contribute toward such a fund—indeed a small price to pay for a conference title which would put Montana on the map.

Yesterday morning we witnessed one of the finest exhibitions of esteem, respect and admiration that any group could possibly bestow upon one of its number, when Naseby Rhinehart was called to receive the Grizzly trophy at the awards convocation. During the past four years we have seen Naseby receive many honors, all with the unanimous and enthusiastic approval of the student body, but yesterday's performance capped all previous exhibitions. The selection of Naseby as recipient of the Grizzly trophy was the right one. We can think of no one more deserving of it, either this year or among past winners. We hope that "Nase" will always carry with him the remembrance of the applause which greeted him yesterday as an expression of the feeling of deep respect Montana students hold for him. And we know that each student, individually, will not forget that feeling of exultation which was derived from the action of the group.

## Oh Fawthaw, Deah Fawthaw

Papa, send me fifty dollars, for school is almost done,  
The merchants all are angry and have started me to dun;  
Barney stopped me on the street and asked me for some jack,  
Daddy, send me money or your sonny can't get back.

The telephone is busy and the door-bell always calls  
And I'm forced to tell you, father, I'm damn near out of stalls;  
I have taken to the alleys, I no longer tread the streets,  
And it ain't because of traffic or because the pavement heats.  
I'm eating but one meal a day and I hardly sleep at night,  
I have the finance worry and I tell you it's a fright.  
It's a long way o'er the mountains to home's cool, covered porch,  
The way is long and rocky and I feel the sunbeams' scorch;  
Your son he loves you dearly, he loves his mother, too,  
So, papa, send me fifty, for school is almost through.

## Vandal Cinder Stars Will Oppose Grizzlies In Annual Track Fray

Montana Vies With Idaho Here Tomorrow in an Attempt To Avenge Past Losses; Invading Squad Is Rated Strong by Dopesters

After four years of defeats at the hands of the Idaho Vandals on the track and field, Montana Grizzlies are awaiting the starting gun tomorrow afternoon in an attempt to gain long-sought revenge for a series of meets which has thrice seen the Vandals walk away with the title with only one-, two- or three-point margins of victory.

Vandals are coming with a strong aggregation of field and weight men and are slated to take first and second in several of the weight events. Rhinehart is the only Grizzly entry in the discus throw but is not expected to do anything outstanding as Berg and McCue have been hurling the platter nearly 140 feet. The javelin throw looks like the first places would be Vandal honors with Walcott vying with Sharp for a third.

All dopesters have given the Grizzly cinder stars an advantage on the track, but not one large enough to balance the strong margin given the

Vandals on the field. An Idaho press dispatch states:

### Idaho Favorite

"Dope based on past performances makes the University of Idaho the favorite against Montana but the margin is uncomfortably close.

"Flying feet of the Grizzly trio, Peden, Duff and Taylor, are expected to win firsts for Montana in all of the sprints, the half-mile and mile. Pearson of Idaho is picked to reach the tape first in the two-mile.

"Hurdle events are a toss-up. Adkins of Idaho and Rutherford of Montana are the favorites. A first and a second for each is as good a bet as any. In the field and weight events, Idaho is expected to show its greatest strength, as was the case against Oregon State. The Vandals have good chances of taking both firsts and seconds in the broad jump, shot put, discus and javelin.

"Walcott of Montana has made the best records thus far in the high jump, as has Stein of Montana in the pole vault.

"Seconds and thirds are expected to play a large part in determining the winner of the dual meet, which will be the last conference performance for each school before the northern division meet at Seattle, May 30 and June 1." Eighteen men will represent the University of Idaho.

### Sixteen Idaho Entrants

Sixteen Idaho men and the events they will enter have already been named by Coach Otto K. Anderson. They are: 100 and 220-yard dashes,

### Runs Fast Quarter

STEWART NEELY

Stewart Neely, who will be in Missoula with the University of Idaho track team tomorrow, is enjoying his first year of collegiate competition.

Theron Ward and Addison Beeman; 440-yard dash, Stewart Neely and Glenn Orton; 880-yard run, Stewart Brown and Orton.

Mile run, Bill O'Neill and Orton; two-mile run, Rodney Pearson and O'Neill; hurdles, Cyril Adkins and Noble Palmer. Shot put, Alfred Berg, Bob McCue and Earl Ritzheimer; discus, McCue, Ritzheimer and Bill Sharp; javelin, Ritzheimer, Paul Wise and Sharp.

Broad jump, Ward and Palmer; high jump, Earl Alden, Palmer and Paul Berg. Pole vault, Sharp and Berg.

Two other men will be selected from the following: Don Klinger, who runs the 880; Marion Klinger, mile and two-mile; Wendell Dayton, 440 and hurdles, and Kenneth Robertson, hurdles and high jump.

Coach Harry Adams has not definitely decided on the entrants for the meet but has announced the following as entries: Peden, Duff, Robertson, Rhinehart, Taylor, Davis, Rutherford, Walcott, Frisbee, LaDue, Rose, Preston, Vadheim, Stein and Duffy.

The meet will be run off according to conference schedules and is to start at 2 o'clock sharp. It will be the first conference track meet to be held on Dornblaser field since 1931 when the Vandals handed the Grizzlies a bad beating.

## Fraternity Track And Field Meet Scheduled Soon

Last Chance for Frosh to Qualify For Numeral Awards; Barbs Will Enter Competition

All track and field athletes who have not competed in a varsity track meet or who have not received numeral sweaters in track will compete next Friday and Saturday in the annual interfraternity track meet which climaxes the track season for freshmen and is the last opportunity offered them to qualify for their numeral sweaters.

As in other sports the Barbs will compete against the Greeks for superiority on the track and field. For the past several seasons the Barbs have barely missed winning the meet and again are concentrating on this year's meet. With outstanding performers from each fraternity on the campus, competition will be close in almost every event. A full schedule of events with the exception of the two-mile run will be held and a full entry list is expected for each contest.

Minor sports Manager Ralph Gilham is in charge of the track meet which starts next Friday. All who are expected to enter the meet are requested to notify him as soon as possible so that he can arrange the schedule.

Entrants in the 100-yard dash, the 220-yard dash and the hurdle races are to report at the field at 3:30 o'clock Friday to run off the preliminary trials. Those winning the trials of those races Friday will run in the finals the next day for places and points in the meet.

Because of the large number of entries in the meet each year, four places are counted. First place winners receive five points; second, three; third, two and fourth, one. As many as a hundred contestants have taken part

## Company B Wins Army Track Meet

O'Malley, Peden, Duff and Brown Are Stellar Performers

Company B of the Grizzly battalion launched a successful attack and claimed the inter-company track title which was relinquished only after a hard fight by Company C, last year's winner.

Fast times in several events were contrasted with slow performances in others. Roy Peden, although not competing in the meet, paced Bob O'Malley to the tape in the furlong in 21.3 seconds, O'Malley finishing in 21.4 seconds. Peden again tied his state record in that event but was unable to crack 10 seconds in the century, while O'Malley sprinted to the tape in 9.8 seconds.

Doug Brown glided over the high barriers to show his heels to a flock of hurdlers and to beat the state mark of 15.5 seconds by two-tenths of a second. Bill Swanberg put on a sterling exhibition in the quarter to finish in 51 seconds, while Duff and Preston used their experience to advantage to finish in 50.1 seconds and 50.4 seconds, Duff passing Preston in the last 20 yards to win.

Company B with 50 points was 12 points ahead of Company C and Company A trailed with 27 counters.

In these meets in the past and it is expected that an equally large number will be out a week from today and tomorrow for the championship contest. The meet is the last interfraternity contest of the year.

## National Biology Group Initiates New Members

Phi Sigma, national honorary biological fraternity, held initiation for four students last night in the natural science building. Shade Denson, Gallata, and George Scott, Great Falls, both of the biology department; Stanley Miller, Missoula, forestry, and Dorothea Eder, Hardin, physical science, became new members of the organization.

After formal ceremonies indoors, an outing and picnic dinner was enjoyed up the Rattlesnake. This initiation and outing concludes the activities of the group for this year.

## PSYCHOLOGY HONORARY GROUP ELECTS OFFICERS

New officers of Psi Chi, national psychology honorary fraternity, were elected at a formal banquet at the Happy Bungalow recently. Bob Lacklen, Billings, was chosen president; Bill Browning, Belt, vice-president, and Edith Peterson, Glasgow, secretary. Formal initiation was held for Annette MacDonald.

## Prom Groups Are to Meet Next Monday

### Les Smith's Band Will Play At Annual Dance On May 31

Gayest event of the spring quarter social season, the Junior Prom, will be held in the men's gymnasium May 31. Les Smith's orchestra has been engaged by President John Sullivan of the junior class to provide the music for the juniors' annual gift to the graduating seniors.

Committee men and women, appointed last week by Sullivan, will meet in Main Hall auditorium Monday afternoon at 3 o'clock to lay plans for the formal dance. Tickets will be sold all next week. Seniors will receive free tickets by applying at window two at the registrar's office.

Tickets—75 cents each—will be sold by committee members. A queen of the Junior Prom will be selected at the committee meeting Monday afternoon.

The Junior Prom usually attracts scores of state university men and women who are anxious to attend the dance which traditionally is the happiest event of commencement week. The senior class is always well represented.

Committee men and women on the Prom are working under the general chairmanship of Sullivan and Nate Provins. Committees are: Chaperons, Betty Ann Polleys, Ruth Brinck, Audrey Wessinger; orchestra, Leo Valiton, Joe Gillen, Barbara Jean Hayes; publicity, Bill Giltner, Kay Thayer, Betty Parker; hall and arrangements, Willis Avery, Jocko Shenk, Selden Frisbee; grand march, Winifred Keyes, Edith Matheson, Gertrude Thalmueller; decorations, Virginia Bode, Roger Grat-tan, Fred Dickman; class banner, Marie Christian, Norma Hammer; sales campaign, Benny Bergeson, Bob Zeldler, Eleanor Speaker, Mildred Huxley, Cora Dickinson, Hub Zemke, Hank Blastic, Elsie Hirschberg, Jim Meyers, Lewis Hartsell, Dave Vesely.

### Ride 'Em Cowgirl

New Spurs Wear Symbols  
Of Sophomore Organization  
Following Pledging

Clink! clink! goes the spur on the left heel of each of the new Tanans. All over the campus today, next Monday, Tuesday and Wednesday, the 24 new Spurs will clink around after being formally pledged yesterday afternoon at North hall.

Each new pledge was asked to bring a spur to the meeting yesterday. Wearing a spur is part of a plan to be taken up next year, when uniforms and wider activities will be featured by the honorary organization. In this way, members of the group expect to introduce a practice that may become traditional on the campus.

The first joint meeting of the two existing Spur groups will be held next Wednesday afternoon at 5 o'clock in North hall when members of the outgoing organization discuss plans for next year with the newly-selected members.

### "UNFINISHED SYMPHONY" IS COMING NEXT WEEK

Lovers of the compositions of Franz Schubert will be offered a musical treat next week, according to Dean DeLoss Smith and Professor John Crowder of the school of music, when the musical film, "Unfinished Symphony," is shown at a local theater under the auspices of the Missoula Campfire girls. The musical background of the film is supplied by the Vienna Philharmonic orchestra, the chorus of the Vienna State opera and the Vienna Boys' choir, all internationally famous musical organizations.

### ANSON WEEKS IS TO HELP FOOTBALL TRAINING TABLE

Anson Weeks and his nationally-famous dance band will play here next Monday evening at the Agricultural building in the Fairgrounds. The money derived from the dance will be used to help support a football training table at the university next fall. The orchestra is being brought here under the auspices of the Missoula Active club, a service organization composed of young business men.

### Communications

Editor of the Kaimin:

I should like to extend through your columns an appeal for the return of the gray hat worn by Nellie in "Gold in the Hills." It was taken from the Masquers' costume room sometime Tuesday evening or Wednesday morning of last week. The hat could be of use only for a costume dance. It was loaned to the Masquers by a private person in Missoula and because its value is that of an heirloom, is impossible to replace.

At the same time the dagger with which Mamie stabbed herself in her Apache dance disappeared from the Masquers' property cabinet. It too was loaned to the Masquers and because it was a gift to the owner cannot be replaced.

If the lost articles belonged to the Masquers we could charge the loss to our carelessness and let it go, but such losses as these make it more and more difficult for the Masquers to borrow costumes and properties at all, and certainly cast an unpleasant reflection upon the university as a whole.

Any articles thus borrowed from the Masquers may be wrapped and addressed to the Masquers and left at the telephone booth in Main hall.

## "THEY DON'T GET YOUR WIND" ATHLETES SAY

LOU GEHRIG has played in more than 1500 consecutive big league games. Such an athletic achievement takes "wind"—healthy nerves—"condition." Lou says: "For steady smoking I pick Camels. They're so mild they never get my 'wind' or my nerves."

*So mild, athletes smoke  
as many as they please—and that's  
real mildness!*

Of course you want mildness in a cigarette. And the athletes—to whom "wind," healthy nerves, "condition" are vitally important—insist on mildness.

Lou Gehrig, baseball's "Iron Man," says: "Camels are so mild they never get my 'wind.'" George Barker, intercollegiate cross-country champion, says: "Camels are so mild, they don't cut my 'wind' in any way." Bobby Walthour, Jr., star of the six-day bike grinds, says: "I've got to have 'wind' in bike racing. For my cigarette I long ago chose Camels."

Tommy Armour, speaking for the golf stars, Bruce Barnes for tennis, and Betty Bailey for the aquatic sports—all agree: "Camels don't get your 'wind.'"

What this mildness means to you! . . . It means you can smoke as many Camels as you please. Athletes say Camel's costlier tobaccos never disturb your nerves—never tire your taste—never get your "wind."
